Mesha **Naidoo-Edwardson**
Mathematics Student

613-850-8592

Relevant Experience

Quality Assurance Automation Intern, Contractor | Ruckify
JUN 2020 – AUG 2020, NOV 2020 - Present| Ottawa, Canada

- **Automated** test cases and restyled the mobile and web app to fix inconsistencies throughout the platform.
- Reduced the average testing time per test case from **10 minutes** to **18 seconds** through automation using **Cypress**.
- Fixed styling issues related to improper capitalization and forced lowercase conversion on the **Angular** website and mobile app using SASS, CSS, HTML, and JavaScript.

Twitter Fact Checker | Hackathon
Jan 2021

- Built a chrome extension using **ReactJS**, CSS, and HTML to verify the validity of information being posted in a tweet.
- Made calls to the **Twitter API** to get the content of the post being viewed and called the resulting data in the **Google Fact Check Tools API** to verify whether the post information was true.

SpotifySentences | Side Project
Jan 2021

- Built a web app using JavaScript, HTML, and CSS that uses **Spotify's API** to create a playlist of song names made up of a desired sentence.
- Implemented a **dynamic algorithm** to optimize the search results and ensure a result if at all possible.

MyOTStride | Hackathon
Apr 2018

- Won the **HackingHealth 2018 Shopify Mentorship award** for MyOTStride, a mobile app for Occupational Therapists.
- Worked as a team to design and pitch our app using **Figma**.

Other Experience

Barista | Starbucks
AUG 2018 – AUG 2020 | Ottawa, Canada

- Placed 2nd at the Starbucks District Barista Championships.
- Optimized customer experience through strong multitasking abilities and conflict resolution skills.
- Demonstrated strong teamwork abilities within a fast-paced working environment to ensure efficiency.

Co-President of Student's Council | Merivale High School
MAY 2019 – JUN 2020 | Ottawa, Canada

- Led a council of over 20 students to run events for our school.
- Managed **community outreach** to collect donations for events, as well as donated proceeds from events to local charities.
